Hi Mary,

Please find attached EPA's initial feedback on the document you provided. As we discussed earlier on the phone, my initial impression was that the document's tone and posture was unbalanced and in some areas, inaccurate. I hope our suggestions are helpful. We are happy to review an updated draft. I've also attached an EPA document outlining EPA's approach and legacy of reusing Superfund sites that also may be helpful.

Thanks Mary!

Robert,
I just wanted to check to see when you and Mike will have the agency's input to me about the fact sheet.
Much thanks,
